

## **COVID 19 Safety Statement**

### **General Intro**

Our goal is to provide a safe and comfortable environment for you as we provide instruction and coaching. With that in mind, we've instituted the following protocols of regular operations. Any students exhibiting symptoms of Covid-19 are asked to reschedule their lesson. There will be no cancellation fee.

### **General Precautions Statement**

Coaches and students will maintain proper social distancing of at least 6 feet during lessons and group instruction. Face masks/coverings will be worn as appropriate. Range stations have been spread out to provide increased separation. Carts, training aids and rental/fitting clubs are sanitized before each use. Additional hand sanitizer and/or disinfectant wipes will be available. Students are also encouraged to bring their own as these supplies are in high demand and quantities can run low. Range balls are cleaned thoroughly with soap and water between usage.

### **Arrival/Departure Procedure for Lessons**

Carts will not be available for transport to the practice range for lessons. Students are asked to walk/use a pull cart with their clubs to meet their teacher at the designated area on the practice ground. New guest students are asked to meet their teacher at the CF bag drop area and will walk together to the practice range for their lesson.

Students are asked to warm up on their own prior to their lesson in one of the slots on the range, away from the prior student. After lessons, guests are asked not to linger in the practice areas.

For group sessions, members are asked to meet at the designated area. New guest students are asked to meet at the bag drop area.

Payment is requested via Chase Quick Pay or Venmo for guests. Members will be able to use the member charge account.
